Jaime Gutierrez called to request that we address Ellery Lucus (BP) designer comments on the electrical punch list. I assured Jaime that all of Ellery concerns will be addressed to meet the design intent. There was an accident on I-80 at the Toll plaza, a Brinks truck flipped over and damaged portions of the Quick Kurb.

Randy Morosli emailed to inquire about CCO# 73-s1 AND 139-s1.
